FOR IMMEDIATE RELEASE: February 13, 2014

AACOG Weatherization Assistance Program Seeking Applicants

Cibolo, Texas — The Alamo Area Council of Governments (AACOG) Weatherization Assistance Program has funding available to help low-income people, particularly households with elderly, handicapped or young children, overcome the high cost of energy through the installation of energy conservation measures at no cost to the applicant. These measures may include attic, wall and floor insulation; sealing areas of air leakage throughout the house and in air conditioning ducts; replacement of inefficient refrigerators and faulty water heaters; CFL lighting; carbon monoxide and smoke detectors; and repair or replacement of heating and air conditioning equipment.

This program is available to residents throughout the AACOG region. Qualification for Weatherization Services is a two-step process. The applicant must provide proof of citizenship or qualified resident alien status and the total household income for all adult members. Secondly, the home itself must qualify in terms of structural soundness (no major roof repairs, plumbing leaks, foundation problems, faulty electrical wiring or similar structural issues).

The application, which provides details about the program and the documentation required for applying, is available at *www.aacog.com/wapapp.* For additional information, please contact the Weatherization Assistance Intake Line at (210) 362-5282 or send an email to *wap@aacog.com.*

# # #

AACOG's Weatherization Program serves residents of Atascosa, Bandera, Bexar, Comal, Frio, Gillespie, Guadalupe, Karnes, Kendall, Kerr, McMullen, Medina, and Wilson Counties.

Mayor's Message Spring 2014

2014 has gotten off to a very busy start at City Hall and I would like to share with you a few thoughts and update you on this past 3 months!

As you know, November 2013 produced many changes in your city government. Many of you came to the polls in record numbers and voiced your concerns. Because of the message you sent to city hall, your council and I are working diligently to streamline communication and be sure you are kept informed of what is happening in Cibolo. We cannot do this without you, though, even now. Your city needs your participation in many areas. Please refer to the calendar listed here and see if there is a date you can work into your schedule to attend an upcoming meeting. Even if it's a committee you don't know a lot about or have a desire to know. You may be surprised at what you come away with! With all the growth Cibolo is experiencing, it is paramount we hear from you! At the same time, we ask for your understanding as we address development questions and make some tough decisions that affect us all. Your council and staff welcome suggestions and are here to answer questions you may have.

Recently, many citizens united in organizing 2 wonderful events that truly were grass root efforts. The Cajun Cook-off held at Schlather Park back in December was so much fun that we took it to an entire other level with the BBQ Cook-off held in February! Look for these 2 events to become annual occurrences! The Parks & Recreation Committee has some wonderful events coming up this Spring as well! Be sure to put them on your calendar and come visit with your neighbors!

The city website (www.cibolotx.gov) has received a fresh new look! Check it out and tell us what you think! Here you will find press releases, calendar of events (including agendas and past minutes), and just about anything you need to know pertaining to Cibolo.

We are The City of Choice and you have shown that to be true by moving here and calling Cibolo your home. I am honored to be your Mayor and am accessible via email (mayor@cibolotx.gov); phone (210-859-8344) or on Facebook (www.facebook.com/MayorLisaMJackson).

I am excited about the future here in Cibolo and hope you are too!

Until next time,
Lisa M. Jackson, Mayor
